

Dear Parents/Guardians,

Our grade 3 team will be going to Charlotte's Family Apple Orchard on Tuesday, September 27th, 2011. We will be leaving Summerhill/Lincoln Elementary at 9:00am. Please pack a lunch for your child, as we will be eating our lunch at the orchard. We will leave the apple orchard at 1:00pm to be back in plenty of time to finish our day at school and get on our buses. The students will all receive a bag of apples that they will pick themselves and take home to share with their family.

This field trip will cover some of our Science curriculum in the plant unit. It will explain the life cycle of an apple, the parts of a plant, pollination, the care of plants and a hand on experience for the students. The cost of our field trip is \$6.00. This trip will also encourage the students to get know one another and the teachers in an alternate setting.

Sincerely, the grade 3 team,

Mr. Comitz, Mr. Collins, Ms. Davidson, Mme McCarthy and Mme Parks

I give _____ permission to go to Charlotte's Family Apple Orchard on September 27th, 2011.

I have enclosed my \$6.00 ___yes___no
